

Forced anharmonic oscillator with varying strength of 6th order anharmonicity in potential
Position Plot || $\Omega=1.000$

Forced anharmonic oscillator with varying strength of 6th order anharmonicity in potential
Velocity Plot || $\Omega=1.000$

Forced anharmonic oscillator with varying strength of 6th order anharmonicity in potential
Phase Space Plot || $\Omega=1.000$

Forced anharmonic oscillator with varying strength of 6th order anharmonicity in potential
Resonance Profile
